

Science

We will be learning about the animals that live at the beach. We will explore the habitats that they live in, who they live with, what they eat and what they do for the environment around them.

PE

We will be learning to play games outdoors, by taking turn and developing our co-ordination.

Topic - Life's a beach!

We will be learning about all the things that happen at the beach, including lifeguards and what they do, how lifeboats work and about the people who work on them, all about surfing. We hope to take a trip to the beach at some point in the term, so lets hope it's sunny...

Frogmore

In Frogmore we follow the EYFS framework. This is split into 7 areas which the children are constantly working towards and all our work will be linked to these areas in some way.

Prime areas

- 1. Personal, Social and Emotional development.**
- 2. Physical development**
- 3. Communication and Language**

Specific areas

- 4. Literacy**
- 5. Mathematics**
- 6. Understanding the world**
- 7. Expressive Arts and Design**

Geography

We will be learning about the different environments at the beach. Why there are sometimes pebbles and sometimes sand. Why the tide takes the sea away everyday and brings it back.

ICT

We will continue to develop our ICT skills through working with the iPads as well as having weekly ICT lessons to develop our basic programming, investigating and sorting skills.

Summer term 2014

English

We will do daily Letter and sounds phonics work to improve our spelling and reading as well as guided reading with an adult. We will work on our writing skills though imaginative stories, recounts, instructions, fact sheets and poetry.

Maths

We will be learning to read, write and order numbers as well as learning different ways to adding one and two digit numbers together. We will measure, investigate and play with number and shapes to find out more about them.
